PREAMBLE

The Government of the Republic of Angola, the Government of the Republic of Botswana, the Government of the Republic of Namibia, the Government of the Republic of Zambia and the Government of the Republic of Zimbabwe (hereinafter jointly referred to as the “Partner States” and in the singular as a “Partner State”);

RECOGNIZING the principle of sovereign equality and territorial integrity of their respective States;

COMMITTED to ensuring the long term protection and Sustainable Use of Natural and Cultural Heritage Resources within their territories and to safeguarding the natural environment and ecosystems in which these resources occur;

CONSCIOUS of the benefits to be derived from the collaboration and co-operation between neighbouring countries jointly managing Natural and Cultural Heritage Resources that straddle their international boundaries and of the significance of maintaining cordial and friendly relations with each other;

AWARE that the Conservation and Sustainable Use of Natural and Cultural Heritage Resources contribute to social and economic development of the Partner States;

RECALLING that all or some of the Partner States are signatories to regional agreements including the Southern African Development Community (SADC) Treaty (1992), the SADC Wildlife Policy and Development Strategy (1997), the SADC Environment and Sustainable Development Policy and Strategy (1998), the SADC Protocol on Trade (1996), the SADC Protocol on the Development of Tourism (1998), the SADC Protocol on Wildlife Conservation and Law Enforcement (1999), the revised SADC Protocol on Shared Water Courses (2000), and the SADC Protocol on Forestry (2002);

FURTHER RECALLING that all or some of the Partner States are signatories of or parties to International Conventions including the African Convention on the Conservation of Nature and Natural Resources (Algiers, 1968), UNESCO’s Man and the Biosphere Programme (1970), the Convention on the Conservation of Wetlands of International Importance (Ramsar 1971), the World Heritage Convention (Paris, 1972), the Convention on International Trade in Endangered Species of Wild Fauna and Flora (Washington, 1973), the Convention on Migratory Species (Bonn 1979); the Convention on Biological Diversity (Rio de Janeiro, 1992); the United Nations

KAZA TFCA TREATY

Framework Convention on Climate Change (New York 1992); and the United Nations Convention to Combat Desertification (Paris,1994);

ACKNOWLEDGING that Local Communities, Non-Governmental Organisations and the Private Sector have important roles to play in the Conservation and management of Natural and Cultural Heritage Resources from which they should derive equitable benefits;

DESIRING to conclude an international Treaty within the framework of SADC cooperation in the Conservation and management of Natural and Cultural Heritage Resources and in the development of a vibrant and sustainable tourism industry;

NOW THEREFORE, the Partner States agree as follows:

ARTICLE 1

ARTICLE 2

Establishment of the Kavango Zambezi Transfrontier Conservation Area (KAZA TFCA)

1. By this Treaty, the Partner States establish the Kavango Zambezi Transfrontier Conservation Area (KAZA TFCA) for the primary purpose of harmonizing policies, strategies and practices for managing shared Natural Resources that straddle the international borders of the five (5) Partner States and deriving equitable socio-economic benefits through the Sustainable Use and development of their Natural and Cultural Heritage Resources.
2. The headquarters of the KAZA TFCA shall be at Kasane in the Republic of Botswana.
3. The organization of the KAZA TFCA as referred to in Article 3 shall enter into a hosting agreement with the Government of the Republic of Botswana.
4. The official languages of the KAZA TFCA are English and Portuguese.

ARTICLE 3

Legal Status

1. KAZA TFCA shall be an international organisation, and shall have legal personality with capacity and power to enter into contracts, acquire, or dispose of,

movable, inter alia intellectual property, and immovable property and to sue and be sued.

2. In the territory of a Partner State, the KAZA TFCA shall, pursuant to paragraph 1 of this Article, have such legal capacity as is necessary for the proper exercise of its functions.

ARTICLE 4

Geographic Delimitation

1. The KAZA TFCA shall comprise of the following areas:

2. In defining the geographic areas comprising the KAZA TFCA as outlined above, it is understood that this does not preclude the later inclusion and/or exclusion of additional areas into and out of the KAZA TFCA, provided that legal mechanisms which uphold the objectives of this Treaty are observed.
3. Land delineated by the Partner States to the KAZA TFCA shall remain the property of the Partner States.
4. The map of KAZA TFCA is herein attached as Annexure 1 and the geographical coordinates of the boundary of the KAZA TFCA are herein attached as Annexure 2.

ARTICLE 5

General Principles

1. For the execution of the objectives expressed in this Treaty, the Partner States undertake to uphold the following principles:
 - a. respect the sovereign equality, territorial integrity and legal systems and structures of the Partner States;
 - b. advocacy for solidarity, peace and security within the KAZA TFCA;
 - c. amicable resolution of disputes;
 - d. recognise that the right to utilize Natural and Cultural Heritage Resources carries with it the obligation to do so in a responsible manner so as to ensure effective Conservation and management for posterity;

- e. prevent excessive utilization of Natural Resources and ensure that the use of Natural Resources is commensurate with the productive capacity of species and habitats. Where appropriate the Partner States shall take measures to rehabilitate populations of species in decline or degraded habitats and prevent the indiscriminate destruction of habitats through pollution or other human activities;
- f. make knowledge based decisions derived from inter disciplinary research and traditional knowledge and to exercise precaution when there is insufficient information;
- g. create forums to facilitate consultations and effective participation of Stakeholders in decision making with respect to the development of policies and strategies related to the management and development of the KAZA TFCA;
- h. develop agreements, protocols and guidelines as may be necessary in each area of cooperation which shall spell out the objectives and scope of, and institutional mechanisms for, cooperation;
- i. make the KAZA TFCA a programme which epitomises and showcases benefit sharing, equality, good governance, collaboration and cooperation; and
- j. ensure that the ownership of the KAZA TFCA remains with and is led at all times by the governments and the people of the five Partner States.

ARTICLE 6

Objectives of the KAZA TFCA

1. The KAZA TFCA specific objectives shall be to:
 - a. maintain and manage the shared Natural and Cultural Heritage Resources and biodiversity of the KAZA TFCA to support healthy and viable populations of wildlife species;

- b. promote and facilitate the development of a complementary network of Protected Areas within the KAZA TFCA linked through corridors to safeguard the welfare and continued existence of migratory wildlife species;
