on the following conditions —

- (a) the quota allocated to communities must be bought in whole from those communities, and not in lots;
- (b) the Department will recognize valid Agreements between local communities and private operators that were signed prior to the publication of the quota, where such Agreements do not disadvantage communities, where the Agreements disadvantage communities, the Department reserves the right to amend and or cancel the disposal of the quota allocated to the communities;
- (c) all Agreements signed by local communities and private operators after the publication of the quota must be vetted by the Department and the CBNRM office in Gaborone;
- (d) all operators need to have paid for the full community quota by 31st January, 2022, failing which the offer will be withdrawn;
- (e) department of Wildlife and National Parks reserves the right to review all Agreements proposed after the publication of this quota; and
- (f) all community quota negotiations must take place in the presence of District Commissioner's representative as Technical Advisory Committee Chairperson.

DATED this 2nd day of September, 2021.

DR. KABELO JACOB SENYATSO,
Director of Wildlife and National Parks.
