Each area described in the Schedule hereto is hereby declared to be a controlled hunting area for the purposes of the Act.

SCHEDULE

CONTROLLED HUNTING AREAS

KACHIKAU CONTROLLED HUNTING AREA (NO. 1)

Commencing at a point on the international boundary between Botswana and the Caprivi Zipfel being a point on the Chobe National Park boundary (as defined in the Wildlife Conservation and

National Parks Act due north of a beacon situated on Fire-break No. 19 at Ngoma, the boundary runs due south to the said beacon; thence southwards following the eastern edge of the said Fire-break No. 19 for a distance of approximately twenty and one half miles; thence due west to the international boundary between Botswana and the Caprivi Zipfel being a point on the Chobe River; thence generally north-eastwards following the said international boundary to the point of commencement.

KASANE CONTROLLED HUNTING AREA (NO. 2)

Commencing at a point on the eastern boundary of the Chobe National Park being the intersection of the said boundary and the direct road from Serondela to Lesoma, the boundary runs generally eastwards following the middle of the said Lesoma road to its intersection with the international boundary between Botswana and Zimbabwe at the Lesoma Gate; thence generally south-eastwards following the said international boundary between Botswana and Zimbabwe to the middle of the gate on the road from Kanyu to Matetsi in Zimbabwe at Pandamatenga; thence generally south-westwards following the middle of the said road from Matetsi to Kanyu to its intersection with the road from Dodo to Masame at Dodo; thence generally westwards following the middle of the said road from Dodo to Masame to the borehole at Masame; thence in a straight line due west to the eastern boundary of the Chobe National Park; thence generally northwards following the eastern boundary of the Chobe National Park to the point of commencement.

MASAME CONTROLLED HUNTING AREA (NO. 3)

Commencing at the junction of the Kanyu to Pandamatenga and Nunga to Ngwezumba roads, the boundary runs generally westwards following the middle of the Nunga to Nwezumba road for a distance of approximately four miles to the intersection of this road and the road from Pandamatenga to Masame, thence generally westwards following the middle of the Pandamatenga to Masame Road to the borehole at Masame; thence due west to the eastern boundary of the Chobe National Park; thence generally southwards and westwards to a point on latitude 19° south being exactly twelve miles due west of the stock-route from Bushman Pits to Kazungula; thence in a straight line due south to the point where this line is intersected by the straight line drawn between the junction of the old road from Maun to Joverega and the eastern boundary of the Batawana Tribal Territory and the north-east beacon of the Marulamantsi Ranch boundary; thence eastwards following the latter line for about one mile to its intersection with the middle of the road from Kanyu to Pandamatenga; thence generally north-eastwards following the said road from Kanyu to Pandamatenga to the point of commencement.

TAMAFUPA CONTROLLED HUNTING AREA (NO. 4)

Commencing at a point on the international boundary between Botswana and Zimbabwe being a point in the middle of the gate at Pandamatenga on the road from Kanyu to Matetse (in Zimbabwe) the boundary runs generally south-westwards following the middle of the said road from Matetse to Kanyu to the point where it is intersected by the straight line drawn between the junction of the old road from Maun to Joverega where it intersects the eastern boundary of the Batawana Tribal Territory and the north-eastern beacon of Marulamantsi Ranch; thence eastwards following the latter said line to the said beacon at Marulamantsi Ranch; thence southwards following the eastern boundary of Marulamantsi Ranch to a point three miles distant from the said beacon; thence due east to a point on the international boundary between Botswana and Zimbabwe; thence generally north-westwards following the international boundary to the point of commencement.

KWANDO CONTROLLED HUNTING AREA (NO. 5)

Commencing at the point of intersection of the middle of the Okavango River and the international boundary between Botswana and the Caprivi Zipfel, the boundary runs north-eastwards and south-eastwards following the said international boundary to the point where the west bank of the Chobe River makes its most northern contact with the international boundary between Botswana and the Caprivi Zipfel approximately five miles north of Jame's Camp and approximately twenty miles north of the junction of the Selinda and the Chobe Rivers; thence in a straight line south-westwards to Gwilingwa; thence due south to the southern bank of the Selinda; thence generally southwards following the eastern and southern bank of the Selinda to its confluence with the Ng-gokha River; thence due south to the middle of the Ng-gokha River; thence generally westwards and north-westwards following the middle of the Ng-gokha River to its confluence with the Okavango River; and thence following the middle of the Okavango River north-westwards to the point of commencement.

SAVUTI CONTROLLED HUNTING AREA (NO. 6)

Commencing at the intersection of the international boundary between Botswana and the Caprivi Zipfel and the eastern boundary of the Batawana Tribal Territory, the boundary runs southwards following the said Tribal boundary for a distance of about thirty-four miles to the point where the boundary is intersected by the middle of the Tsetse Control track which runs from Tsantsara westwards on an approximate bearing of 283° (true north) to an island in the eastern extension of the Selinda; thence continuing on this bearing to the point of intersection of this bearing and a straight line drawn from Gwilingwa to the point on the international boundary where the Chobe River first touches the northern boundary of Botswana, being a point about five miles north of Jame's Camp and about twenty miles north of the junction of the Chobe and Selinda Rivers; thence north-eastwards following the said line to the said point on the international boundary between Botswana and the Caprivi Zipfel; thence generally south-eastwards, southwards and north-eastwards following the said international boundary to the point of commencement.

KHWAI CONTROLLED HUNTING AREA (NO. 7)

Commencing at a point on the eastern boundary of the Batawana Tribal Territory being the point of intersection of the said boundary with the middle of the Tsetse Control track which runs from Tsantsara westwards on an approximate bearing of 283° (true north) to an island in the eastern extension of the Selinda, the boundary follows the middle of the said Tsetse Control track westwards, and its extension on a bearing of 283° (true north) to the point where this extension meets a straight line drawn from a point on the northern boundary of Botswana five miles north of Jame's Camp and approximately twenty miles north of the junction of the Selinda and Chobe Rivers to Gwilingwa; thence in a straight line south-westwards to Gwilingwa; thence due south to the south-eastern bank of the Selinda; thence generally southwards following the south-eastern bank of the Selinda to its junction with the Ng-gokha River; thence due south to the middle of the Ng-gokha River; thence generally eastwards following the middle of the Ng-gokha River until it becomes the Moanachira River; thence generally eastwards following the middle of the Moanachira River until it becomes the Khwai River; thence generally eastwards following the middle of the Khwai River to the point where it is intersected by the eastern boundary of the Batawana Tribal Territory at a point about eight miles north-west of Kudumane; thence due north following the said Tribal boundary to the point of commencement.

MABABE CONTROLLED HUNTING AREA (NO. 8)

Commencing at a beacon situated on the southern edge of a molapo known as Tsantsara (also known as Gatgarra) being a point on the eastern boundary of the Batawana Tribal Territory, the boundary runs in a south-easterly direction following the southern edge of the Tsantsara Molapo to its intersection with the western edge of the sand ridge known as Magwikwe; thence generally southwards following the western edge of the Magwikwe Sand Ridge to its point of intersection with Latitude 19° south; thence eastwards following the said Latitude 19° to a point on the said Latitude 19° south twelve miles due east of the stock-route from Bushman Pits to Kazungula; thence in a straight line due south to its point of intersection with a straight line drawn between the beacon at the north-east corner of Marulamantsi Ranch and the point where the old road from Maun to Joverega intersects the eastern boundary of the Batawana Tribal Territory; thence eastwards in a straight line to the said point of intersection of the old road from Maun to Joverega and the eastern boundary of the Batawana Tribal Territory; thence due north following the Tribal boundary to the point of commencement.

MATSEBE CONTROLLED HUNTING AREA (NO. 9)

Commencing at a point in the middle of the Thaoge River twenty miles north-east of the kgotla in Gomare, the boundary runs generally southwards following the middle of the Thaoge River to a point south-east of Tsau where it is intersected by the middle of the Tsetse Fly Control track from Toteng to Tsau; thence following the middle of the said track eastwards to the point where it intersects the cut line of the outer Tsetse Control fence approximately six miles north of Toteng Bridge; thence north-eastwards, north-westwards and north-eastwards following the said cut line and the Tsetse Control Fence to the point where it intersects the eastern bank of the Xudum River; thence generally north-westwards following the eastern bank of the Xudum River to the point where the Xudum River enters Qo Lagoon; thence in a straight line north-westwards to the point of commencement.

BOTETI CONTROLLED HUNTING AREA (NO. 10)

Sub-division One

Commencing at the point where the eastern boundary of the Makgadikgadi Pans Game Reserve meets the new Maun to Nata road, the boundary runs eastwards, following the middle of the said road, to the point where it is intersected by the western boundary of the Bamangwato Tribal Territory (marked Bamangwato Reserve on some maps); thence southwards and eastwards following the said Tribal boundary to the point where it meets the northern edge of the Makgadikgadi Pan; thence generally westwards and southwards following the northern and western edge of the Makgadikgadi Pan to the point where the edge of the said Pan is intersected by the eastern boundary of the Makgadikgadi Pans Game Reserve; thence due north, following the Reserve boundary, to the point of commencement.

Sub-division Two

Commencing at the point where the eastern bank of the Boteti River enters Lake Xau, the boundary runs westwards and northwards, following the eastern bank of the said river to the point where it meets the boundary of the Makgadikgadi Pans Game Reserve; thence eastwards, southwards and north-eastwards to the point where the boundary of the said Game Reserve intersects the western edge of the Makgadikgadi Pan; thence southwards and south-eastwards following the edge of the said Pan to the point where the western bank of the molapo running from the north-eastern corner of Lake Xau to Makgadikgadi meets the edge of the said Pan; thence south-westwards following the western bank of the said molapo to the point where it enters Lake Xau; thence westwards following the northern edge of Lake Xau to the point of commencement. The above sub-divisions are shown more fully on Plan 00-2 deposited with the Department of Surveys and Lands, Gaborone.

RAKOPS CONTROLLED HUNTING AREA (NO. 11)

Commencing at the point of intersection of the middle of the Boteti River and the western boundary of the Bamangwato Tribal Territory the boundary runs down the middle of the Boteti River generally eastwards and southwards to the point where the said river enters Lake Dow; thence following the western, southern and eastern shore of Lake Dow to the point where the said river emerges; thence north-eastwards following the southern bank of the river to the point where it enters Makgadikgadi Pan; thence generally northwards, south-eastwards and eastwards following the southern edge of the Makgadikgadi Pan to the point where it adjoins Sua Pan; thence generally south-eastwards following the southern edge of Sua Pan to the intersection of the Pan edge and the Dukwe/Mokoba Fence; thence generally south-westwards following the prolongation of the Dukwe/Mokoba Fence to its intersection with the south-western boundary of the Bamangwato Tribal Territory; thence north-westwards and northwards following the said Bamangwato Tribal Territory boundary to the point of commencement.

SHASHE CONTROLLED HUNTING AREA (NO. 12)

Commencing on the southern bank of the Shashe River where it is intersected by the middle of the road from Palapye to Francistown at Tonota the boundary runs generally south-eastwards following the southern bank of the Shashe River to its intersection with the western end of the boundary of the Tuli Circle; thence following the boundary of the Tuli Circle generally south-westwards to its intersection with the back-line fence of the Tuli Block; thence generally southwards following the back-line fence of the Tuli Block to the point where it is intersected by the middle of the Motloutse River; thence generally westwards following the middle of the Motloutse River to the point where it is intersected by the road from Palapye to Francistown near Foley Siding; thence generally northwards following the middle of the road from Palapye to Francistown to the point of commencement.

WESTERN KGALAGADI CONTROLLED HUNTING AREA (NO. 13)

Commencing at the junction of the northern boundary of the Kgalagadi District and the international boundary between Botswana and Namibia, the boundary runs eastwards to the point where it is intersected by the middle of the road from Thakatshwane to Tshane to Tshabong; thence southwards following the middle of the said road from Thakatshwane to Tshane to Tshabong to the point where it is intersected by the parallel of south latitude which passes through Werda Village; thence westwards to the point where the said parallel of south latitude is intersected by a line drawn from Latitude 25° 30' south, Longitude 21° 30' east to the intersection of Latitude 24° 21' 37" south with the international boundary between Botswana and Namibia; thence north-westwards following the said line to its point of intersection with the international boundary between Botswana and Namibia; thence due north following the international boundary to the point of commencement.

EASTERN KGALAGADI CONTROLLED HUNTING AREA (NO. 14)

Commencing at the point on the northern boundary of the Kgalagadi District being the intersection of the said boundary with the middle of the road from Thakatshwane to Tshane to Tshabong the boundary runs eastwards along the said northern boundary to the north-eastern corner of the Kgalagadi District; thence southwards along the eastern boundary of the Kgalagadi

District to the intersection of the prolongation of the eastern boundary with the parallel of latitude passing through Werda Village; thence westwards along the said parallel of latitude to its intersection with the middle of the said road from Thakatshwane to Tshane to Tshabong; thence generally northwards along the middle of the said road to the point of commencement.

SEPOPA CONTROLLED HUNTING AREA (NO. 15)

Commencing at a point on the international boundary between Botswana and the Caprivi Zipfel being the intersection of the said boundary with the middle of the Okavango River, the boundary runs generally south-eastwards following the middle of the Okavango River to the point where it becomes the Thaoge River; thence following the middle of the Thaoge River generally southwards to the point where it is intersected by the parallel of south latitude 19° 45'; thence due west following the said parallel of south latitude to its intersection with the international boundary between Botswana and Namibia; thence due north following the said international boundary to its intersection with the international boundary between Botswana and the Caprivi Zipfel; thence eastwards following the latter international boundary between Botswana and the Caprivi Zipfel to the point of commencement.

KUKI WEST CONTROLLED HUNTING AREA (NO. 16)

Commencing at a point in the middle of the Thaoge River being the point of intersection of the said river and parallel of south latitude 19° 45', the boundary runs generally southwards following the middle of the Thaoge River to the point where it is intersected by the middle of the Tsetse Control track from Tsau to Toteng south-west of Tsau; thence generally eastwards following the middle of the said track to the point where it is intersected by the cut line of the outer Tsetse Control Fence six miles north-west of Toteng Bridge; thence in a straight line to the middle of the Toteng Bridge; thence generally westwards following the main road from Maun to Ghanzi through Sehitwa and the Dautsa Flats west of Lake Ngami to the middle of the Kuki Gate; thence due west following the Kuki Fence to its intersection with the international boundary between Botswana and Namibia; thence due north following the said international boundary to its intersection with the parallel of south latitude 19° 45'; thence due east to the point of commencement.

JAO CONTROLLED HUNTING AREA (NO. 17)

Commencing in the middle of Dobe Lagoon, the boundary runs due south to the northern bank of Chief's Island; thence generally north-westwards, westwards and south-eastwards following round the bank of Chief's Island to a point on the south-western bank due east of the middle of Qo Lagoon; thence due west to the middle of Qo Lagoon; thence north-westwards in a straight line to a point in the middle of the Thaoge River twenty miles north-east of the kgotla in Gomare; thence generally northwards following the middle of the Thaoge River to the point of its divergence with the Ng-gokha River; thence generally eastwards following the middle of the Ng-gokha River to the middle of the Dobe Lagoon being the point of commencement.

SANTANTADIBE CONTROLLED HUNTING AREA (NO. 18)

Commencing at a point on the north bank of Chief's Island due south of the middle of Dobe Lagoon, the boundary runs due north to the middle of Dobe Lagoon; thence following the middle of the Moanachira River generally eastwards to the point where it impinges on the north-western corner of the boundary of the Moremi Wildlife Reserve; thence following the western boundary of the Moremi Wildlife Reserve south-eastwards to the point where it intersects the Gomoti River; thence generally westwards following the middle of the western source of the Gomoti River to its point of divergence with the Santantadibe River being a point on the northern bank of Chief's Island; thence generally north-westwards following the northern bank of Chief's Island to the point of commencement.

MAQWEE CONTROLLED HUNTING AREA (NO. 19)

Commencing at a point on the eastern boundary of the Moremi Wildlife Reserve being its intersection with the parallel of south latitude 19° 21'; the boundary runs due east following the said parallel of south latitude to its intersection with the northern extension of the Mogogelo

River; thence generally southwards, south-westwards, westwards and north-westwards following the said Mogogelo River to its point of intersection with the eastern boundary of the Moremi Wildlife Reserve to the point of commencement.

CHITABE CONTROLLED HUNTING AREA (NO. 20)

Commencing at the confluence of the Santantadibe and Thamalagane Rivers, the boundary runs generally north-westwards following the western bank of the Santantadibe River to the point of confluence of the western source of the Gomoti River and the Santantadibe River; thence generally eastwards following the southern bank of the western source of the Gomoti River to the point where the Gomoti River is intersected by the western boundary of the Moremi Wildlife Reserve; thence south-eastwards following the western boundary of the Moremi Wildlife Reserve to its most southern intersection with the middle of the Mogogelo River; thence generally south-eastwards following the middle of the Mogogelo River to its confluence with the northern extension of the Thamalagane River; thence generally southwards following the western bank of the Thamalagane River to its point of commencement.

KHURUNXARAGA CONTROLLED HUNTING AREA (NO. 21)

Commencing at a point on the western bank of Chief's Island due east of the middle of the Qo Lagoon, the boundary runs generally south-eastwards following the western bank of Chief's Island to the point where the Boro River diverges from the said bank of Chief's Island; thence due south to the middle of the Boro River; thence generally southwards following the middle of the Boro River to the point where it is intersected by the outer Tsetse Control Fence about nine and one half miles north of Maun; thence generally south-westwards following the said outer Tsetse Control Fence to its junction with the middle of the Khwapa River; thence north-westwards following the middle of the Khwapa River to its point of divergence with the Xudum River; thence following the middle of the Xudum River generally northwards to the point of commencement.

KUKI EAST CONTROLLED HUNTING AREA (NO. 22)

Commencing at the intersection of the road from Maun to Kuki Gate which passes through the Dautsa Flats and to the west of Lake Ngami, and the road from Mathamagana to Motlhatlhogo, the boundary runs generally eastwards and south of Lake Ngami following the middle of the latter road through Bodibeng Village to the kgotla at Motlhatlhogo; thence following the straight line drawn from Motlhatlhogo kgotla to Toteng Bridge to the point where this line is intersected by the southern bank of the Nxhabe River; thence generally north-eastwards following the southern bank of the Nxhabe River to its confluence with the Boteti River; thence following the southern bank of the Boteti River generally eastwards to its point of intersection with the Makalamabedi Fence; thence due south following the Makalamabedi Fence to its point of intersection with the Kuki Fence; thence due westwards following the Kuki Fence to its point of intersection with the main road from Maun to Ghanzi at Kuki Gate; thence generally northwards following the Maun to Ghanzi road to the point of commencement.

LAKE NGAMI CONTROLLED HUNTING AREA (NO. 23)

Commencing at a point on the Toteng Bridge where the main road from Maun to Sehitwa intersects the middle of the Matsebe River, the boundary runs southwards in a straight line to the Kgotla in Motlhatlhogo Village; thence generally westwards following the road from Motlhatlhogo to Mathamagana via Bodibeng and the southern shore of Lake Ngami to the intersection of this road and the main road from Maun to Kuki via Sehitwa; thence following the middle of the latter road from Maun to Kuki generally eastwards to the point of commencement.

MAKALAMABEDI CONTROLLED HUNTING AREA (NO. 24)

Commencing at the point where the Makalamabedi Fence intersects the middle of the old road from Bushman Pits to Maun, the boundary runs northwards following the fence line to the point where it is intersected by the middle of the old road from Maun to Joverega about four miles east of Rakoko; thence eastwards following a straight line drawn between this point and the most north-eastern beacon on Marulamantsi Ranch to the point where this line intersects the middle of

the new stock-route from Bushman Pits to Kazungula; thence generally south-westwards following the middle of the said stock-route to its intersection with the old road from Kanyu to Maun; thence generally westwards following the middle of the said road from Kanyu to Maun via Bushman Pits to the point of commencement.

ODEAKWE CONTROLLED HUNTING AREA (NO. 25)

Commencing at a point where the eastern boundary of Ngamiland District is intersected by a straight line drawn between the point of intersection of the old road from Maun to Joverega and the eastern boundary of the Batawana Tribal Territory about four miles east of Rakoko and the north-eastern boundary beacon of Marulamantsi Ranch, the boundary runs eastwards following the said straight line to the intersection of the said straight line and the western boundary fence of Mahutumabe Ranch; thence south-westwards following the western boundary fence of Mahutumabe Ranch to the most south-westerly beacon of the said ranch being a point on the northern edge of the old road from Nata to Bushman Pits; thence westwards following the northern edge of the old road from Nata to Bushman Pits to the point where it is intersected by the eastern boundary of Ngamiland District; thence northwards, north-westwards and northwards following the eastern boundary of Ngamiland District to the point of commencement.

NATA CONTROLLED HUNTING AREA (NO. 26)

Commencing at a point on the eastern boundary of Marulamantsi Ranch; the said point being exactly three miles south of the north-eastern boundary beacon of the said Marulamantsi Ranch being measured along the said eastern boundary, the boundary runs due east to the point where it intersects the international boundary between Botswana and Zimbabwe; thence generally south-eastwards following the said international boundary to the point where it is intersected by the middle of the Nata River; thence generally south-westwards following the middle of the Nata River to the point where it is intersected by the old motor bridge at Nata; thence following the middle of the old road from Francistown to Bushman Pits to a point in the middle of the said road due south of the most south-easterly boundary beacon of Marulamantsi Ranch; thence due north to the said boundary beacon of Marulamantsi Ranch; thence following the eastern boundary of Marulamantsi Ranch northwards to the point of commencement.

SUA PAN CONTROLLED HUNTING AREA (NO. 27)

Commencing at a point on the international boundary between Botswana and Zimbabwe being the point of intersection of the said boundary and the middle of the Nata River, the boundary runs generally south-eastwards following the said international boundary to the point of intersection of the said boundary and the Dukwe Fence; thence south-westwards following the said Dukwe Fence to the point where it intersects the eastern bank of Sua Pan; thence generally northwards, north-westwards and southwards following the edge of the Sua Pan to the point where it joins the Makgadikgadi Pan; thence generally northwards following the eastern edge of the Makgadikgadi Pan to the point where it is intersected by the old road from Nata to Maun; thence generally south-eastwards following the old road from Nata to Maun to the middle of the bridge over the Nata River at Nata; thence generally north-eastwards following the middle of the Nata River to the point of commencement.

LEBUNG CONTROLLED HUNTING AREA (NO. 28)

Commencing at a point in the middle of the Gate in the Makoba Fence where it is intersected by the road from Serowe to Rakops, the boundary runs generally southwards and south-eastwards following the middle of the old road from Makoba to Serowe which passes just north of Moijabana to a point in the middle of the said road due north of Moijabana; thence south-eastwards in a straight line to a point in the middle of the old road from Serowe to Mahalapye ten miles from Serowe; thence generally southwards following the old road which travels direct from Serowe to Mahalapye to the Mahalapye/Palapye road junction; thence southwards following the middle of the main road from Mahalapye to Dibete to the point where it is intersected by the molapo known as Serorome about seven miles south of Palla Road Siding; thence generally westwards following the middle of the Serorome Molapo to the point where it is intersected by the Dibete Fence; thence generally north-westwards through Lephephe Village following the Dibete

Fence to the point where it is intersected by the western extension of the Dukwe Fence; thence north-eastwards following the Makoba Fence line to the point of commencement.

OKWA CONTROLLED HUNTING AREA (NO. 29)

Commencing at a point in the middle of the Mamono Gate on the international boundary between Botswana and Namibia the boundary runs eastwards along the middle of the road from Mamono-Ghanzi to a point in the middle of the said road due south of the south-western beacon of the Xanagas farms; thence due north to the said beacon; thence generally eastwards and northwards following the southern and eastern boundaries of the Xanagas farms to the north-eastern beacon of the said Xanagas farms; thence due north to a point on the international boundary between Botswana and Namibia; thence eastwards to the south-western beacon of the Ghanzi farms; thence generally eastwards along the southern boundary of the Ghanzi farms to the intersection of this boundary with the middle of the road from Ghanzi to Kang; thence south-eastwards following the middle of the road from Ghanzi to Kang to the point where it is intersected by the southern boundary of the Ghanzi District; thence due west to the international boundary following the southern boundary of the Ghanzi District; thence due north following the international boundary to the point of commencement.

ANDERSSON'S VLEI CONTROLLED HUNTING AREA (NO. 30)

Commencing at the point on the southern boundary of the Ghanzi farms where it is intersected by the middle of the road from Ghanzi to Kang, the boundary runs eastwards and northwards following the boundary of the Ghanzi farms to the point where it is intersected by the road from Dekar to Xade Pan; thence generally south-eastwards following the middle of the road from Dekar to Xade Pan to the point where it is intersected by the western boundary of the Central Kgalagadi Game Reserve; thence due south following the western boundary of the Kgalagadi Game Reserve to its junction with the southern boundary of the Ghanzi District; thence due west following the southern boundary of Ghanzi District to the point where it is intersected by the middle of the road from Kang to Ghanzi; thence generally north-westwards following the middle of the road from Kang to Ghanzi to the point of commencement.

WESTERN KWENENG CONTROLLED HUNTING AREA (NO. 31)

The boundary of which commencing at the intersection of the middle of the road from Sekhoma Pan through Dutle to the Central Kgalagadi Game Reserve with the southern boundary of the Bakwena Tribal Territory runs north-westwards northwards and eastwards along the said Bakwena Tribal Territory boundary to its intersection with the middle of the said road from Sekhoma Pan through Dutle to the Central Kgalagadi Game Reserve; thence generally southwards along the middle of the said road to the point of commencement.

MIDDLE KWENENG CONTROLLED HUNTING AREA (NO. 32)

The boundary of which commencing at a point on the southern boundary of the Bakwena Tribal Territory due south of the southwestern corner of the Botswana Police Camp fence at Letlhakeng runs north-westwards along the said southern boundary to its intersection with the middle of the road from Sekhoma Pan through Dutle to the Central Kgalagadi Game Reserve; thence generally northwards along the middle of the said road to its intersection with the northern boundary of the Bakwena Tribal Territory; thence eastwards along the said northern boundary to its intersection with the middle of the road from Letlhakeng to the Metsi-amanong; thence generally southwards along the middle of the said road to its intersection with the production of the line of the western boundary fence of the Botswana Police Camp at Letlhakeng; thence southwards along the boundary fence of the said Camp to the southwestern corner of the said fence; thence due south to the point of commencement.

EASTERN KWENENG CONTROLLED HUNTING AREA (NO. 33)

The boundary of which commencing at a point on the southern boundary of the Bakwena Tribal Territory due south of the south-western corner of the Botswana Police Camp fence; Letlhakeng runs due north to the said fence corner of the said Camp; thence northwards along the said boundary fence to a point on the production of the fence line in the middle of the road from

Lethakeng to Metsi-amanong; thence generally northwards along the middle of the said road to its intersection with the northern boundary of the Bakwena Tribal Territory; thence eastwards generally southwards and northwestwards along the Bakwena Tribal Territory boundary to the point of commencement.

TSHABONG CONTROLLED HUNTING AREA (NO. 34)

Commencing at the intersection of the parallel of south latitude which passes through Werda Village and a line drawn from Longitude 21° 30' east, Latitude 25° 30' south to Latitude 24° 21' 37" south, Longitude 20° 00' east, the boundary runs eastwards to the Police Camp at Werda; thence due south to the international boundary between Botswana and South Africa; thence generally south-westwards, westwards and northwards following the said international boundary to the southern boundary of the Gemsbok National Park at Twee Rivieren; thence due east to Longitude 21° 30' east; thence northwards along Longitude 21° 30' east to its intersection with Latitude 25° 30' south; thence north-westwards in a straight line to the point of commencement.

CHIEF'S ISLAND CONTROLLED HUNTING AREA (NO. 35)

Commencing at the point of confluence of the Boro and Thamalagane Rivers, the boundary runs generally north-westwards following the western bank of the Thamalagane River to its confluence with the Santantadibe River, thence following the western bank of the Santantadibe River generally north-westwards to a point approximately one mile west of the divergences of the Santantadibe River and the Boroka River, being a point on the north bank of Chief's Island; thence generally northwards, westwards and south-westwards following the periphery of Chief's Island to the point where the Boro River impinges on the south bank of Chief's Island about five miles north-east of the northern tip of Bokwe Island; thence following the northern bank of the Boro River generally south-eastwards to the point of commencement.

MOREMI CONTROLLED HUNTING AREA (NO. 36)
